Video Analysis

Video Analysis is an excellent addition to a corporate event. Guests will be filmed hitting their tee shot off the 1st tee. On completion of round Professional will set up a station and replay the footage of the shot back to the guest. At this point the guest will have their golf swing analysed and Professional will give feedback. Feedback will include helpful tips on improving or simply positive encouragement.

Fourballs at time of feedback tend to watch together. Video analysis provides fun after the round for guests as well as provides a great atmosphere.

Guests leave the corporate day with useful tips on their golf game.

Beat The Pro

Professional will station himself / herself on a Par 3 for the duration of the day. On a selected Par 3 the Guests have the opportunity to challenge the Professional to closest to the pin. At presentation company will call out prize-winners of the contestants who hit the ball closest to the pin and each one will receive a token prize.

Examples of prizes that companies usually give: Sleeve of golf ball, towels, bottle of wine, umbrellas. It is the responsibility of the host company to provide the prizes.

Normal win rate of 20% of contestants.

On Course with Professional

Professional will play one hole with each fourball. Professionals score can count for the competition (optional)

Golfers have opportunity to ask professional for on course advice.

Suitable for 30+ Golfers

Non Golfer Clinic

While your golfing clients are on the course make sure to entertain your clients off the course. 60 minutes of fun and innovative tuition. This program is designed for the non golfer. It is full of fun packed drills that make golf simple.

Our PGA Professional will give a demonstration and then give all participants the opportunity to try this wonderful game. Non Golfer Clinic is a great choice for employee team building, non golfing clients who you really want to be a part of your corporate day at Lough Erne Resort.
