Lough Erne Architect: The Faldo Championship Course has been designed by Nick Faldo, Europe's greatest golfer who amassed 42 titles during his playing career including six Major Championships. He still holds the record of being the leading points scorer for Europe in the Ryder Cup some 11 years after his last appearance. He has also captained the Ryder Cup Team and has recently been knighted for his contribution to sport.

Course Location: Located on the shores of Lower Lough Erne in County Fermanagh, 3 miles west of the historic town of Enniskillen. Set on a 600 acre peninsula between Castle Hume Lough and Lower Lough Erne, The Faldo Course has been planned carefully to take full advantage of the natural topography. This makes for fourteen holes where the waters of the Loughs come into play, including a green surrounded on three sides by water. Superb All Year Round Playing Conditions, ensuring a spectacular, challenging and exciting golfing experience.

Facilities: The Faldo Course at Lough Erne is fully cart pathed to enable all year-round play. Fleet of Golf Carts. Extensive practice facilities including driving range, short game area, putting green and Mini Himalayas.
