

# RESORT MAINTENANCE PERSON

**Position:** Resort Maintenance Person

**Department:** Maintenance

**Reference:** MP0102

A fantastic opportunity has arisen for a talented Maintenance Person to join the resorts maintenance team.

The successful candidate will work in conjunction with the maintenance team to ensure the hotel's interior and exterior are maintained to a 5-star standard. Duties will involve efficient repairs of all defects reported, include dealing with carpentry, electrical, plumbing, heating and painting issues and will ensure that all areas of the resort are maintained in good working order and that any defects are corrected promptly to ensure the 5-star service.

You will be a confident communicator who is motivated, with a good eye for detail and accuracy. Hours of work will be 5 days over the 7-day week. You will have the ability to work with integrated building management systems (BMS) and in room and building control systems. 17th Edition qualification would be advantageous.
