

## Thai Spa Therapist

As a Thai Spa Therapist you will provide massage and beauty treatments to our hotel and day spa guests while maintaining the highest standards of service at all times. You will also assist with the smooth running of the Spa reception, and use your Thai spa menu knowledge and initiative to promote our Spa services and products at all times.

### Entry requirements

The ideal candidates will have a calm yet motivated temperament and have an ability to anticipate the guest needs. You will have previous experience of working within a spa environment, have excellent communications skills and an ability to deliver outstanding quality and service with excellent attention to detail.

Other skills that will need to be demonstrated include:

- NVQ level 3 qualified or equivalent
- Passion for delivering outstanding guest service
- Strong sales background
- Fluent level of spoken English
- A high standard of personal presentation
- Confident, professional and welcoming personality
- Team Player
