

Thailand meets Ireland

Afternoon Tea

Try something a little different, with Lough Erne's Thai inspired afternoon tea, where you can expect to find the likes of Dumplings, Salted Chilli Chicken, Sweet Soy Roasted Pork. The selection of teas is on another level too; we like the sound of the Vanilla Lemon Grass Chai – a warming concoction of ginger, liquorice root, black pepper, and cardamom.

The delicate Thai flavour combinations work so well for an afternoon tea, the sweets and savouries pair nicely with the fragrant teas.
